PNC

BUILDING OUR FUTURE. NOW.

PANTHER CLUB

Purdue North Central provides the total college experience, including a stellar athletic program. PNC boasts four sports (baseball, basketball, softball, and volleyball) and cheerleading. PNC is a member of the Chicagoland Collegiate Athletic Conference. We are proud to be PNC Panthers and would be honored to count you among this elite group.

The Purdue North Central Panther Club provides support for the university's athletic teams. The costs incurred in operating an athletics program increase significantly each year. Your financial contribution will not only allow us to maintain our current athletics program but also lay the foundation for the future of PNC athletics, including an on-campus athletic facility.
